

§ 2920.4

and notify the public that proposals for utilizing the land through a lease, permit or easement will be considered.

§ 2920.4 Notice of realty action.

(a) A notice of realty action indicating the availability of public lands for non-Federal uses through lease, permit or easement shall be issued, published and sent to parties of interest by the authorized officer, including, but not limited to, adjoining land owners and current or past land users, when a determination has been made that such public lands are available for a particular use either through the submission of a public initiated proposal or through the land use planning process.

(b) The notice shall include the use proposed for the public lands and shall notify the public that applications for a lease, permit or easement shall be considered. The notice shall specify the form of negotiation, whether by competitive or non-competitive bidding, under which the land use authorization shall be issued. A notice of realty action is not a specific action implementing a resource management plan or amendment.

(c) The notice of realty action shall be published once in the FEDERAL REGISTER and once a week for 3 weeks thereafter in a newspaper of general circulation in the vicinity of the public lands included in the land use proposal.

(d) An application submitted before a notice of realty action is published shall not be processed and shall be returned to the person who submitted it. Return of an application shall not be subject to appeal or protest.

§ 2920.5 Application procedure.

§ 2920.5-1 Filing of applications for land use authorizations.

(a) Only after publication of a notice of realty action shall an application for a land use authorization be filed with the Bureau of Land Management office having jurisdiction over the public lands covered by the application.

(b) The filing of an application gives no right to use the public lands.

43 CFR Ch. II (10-1-06 Edition)

§ 2920.5-2 Application content.

(a) Applications for land use authorizations shall include a reference to the notice of realty action under which the application is filed and a description of the proposed land use in sufficient detail to enable the authorized officer to evaluate the feasibility of the proposed land use, the impacts, if any, on the environment, the public or other benefits from the land use, the approximate cost of the proposed land use, any threat to the public health and safety posed by the proposed use and whether the proposed use is, in the opinion of the applicant, in conformance with the Bureau of Land Management plans, programs and policies for the public lands covered by the proposed use. The description shall include, but not be limited to:

(1) Details of the proposed uses and activities;

(2) A description of all facilities for which authorization is sought, access needs and special types of easements that may be needed;

(3) A map of sufficient scale to allow all of the required information to be legible and a legal description of primary and alternative project locations; and

(4) A schedule for construction of any facilities.

(b) Additional information:

(1) After review of the project description, the authorized officer may require the applicant(s) to fund or to perform additional studies or submit additional environmental data, or both, so as to enable the Bureau of Land Management to prepare an environmental analysis in accordance with section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*); and comply with the requirements of the National Historic Preservation Act of 1966 (16 U.S.C. 470); The Archeological and Historic Preservation Act of 1974 (16 U.S.C. 469 *et seq.*); Executive Order 11593, "Protection and Enhancement of the Cultural Environment" of May 13, 1971 (36 FR 8921); "Procedures for the Protection of Historic and Cultural Properties" (36 CFR part 300); and other laws and regulations as applicable.
